INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of United Way for Jackson and George Counties, Mississippi, Inc.

Opinion

We have audited the accompanying financial statements of United Way for Jackson and George Counties, Mississippi, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way for Jackson and George Counties, Mississippi, Inc. as of December 31, 2021 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Way for Jackson and George Counties, Mississippi, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way for Jackson and George Counties, Mississippi, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Membership in:

Independent Auditor's Report Page 2

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of
 United Way for Jackson and George Counties, Mississippi, Inc.'s internal control. Accordingly, no such opinion
 is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way for Jackson and George Counties, Mississippi, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of distributions to agencies on pages 23 - 24 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS December 31, 2021 and 2020 (Restated)

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

United Way for Jackson and George Counties, Mississippi, Inc. (the Organization) is a non-profit organization whose mission is to increase the organized capacity of people to care for one another. The Organization is supported primarily through donor contributions. The Organization allocates these funds to various health and human service agencies that serve the citizens of Jackson and George Counties.

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net Assets without Donor Restrictions - These net assets generally result from revenues generated by receiving contributions that have no donor restrictions, providing services, and receiving interest from operating investments, less expenses incurred in providing program-related services, raising contributions, and performing administrative functions.

Net Assets with Donor Restrictions - These net assets result from gifts of cash and other assets that are received with donor stipulations that limit the use of the donated assets, either temporarily or permanently, until the donor restriction expires, that is until the stipulated time restriction ends or the purpose of the restriction is accomplished, the net assets are restricted.

Promises to Give

Contributions received are recorded as increases in net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature of any donor restrictions. When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions In the absence of donor restrictions to the contrary, restrictions on contributions of property or equipment or on assets restricted to acquiring property or equipment expire when the property or equipment is placed in service.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and cash equivalents

For purposes of the statement of cash flows, the Organization considers all investment instruments purchased with an original maturity of three months or less to be cash equivalents.

NOTES TO FINANCIAL STATEMENTS December 31, 2021 and 2020 (Restated)

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (continued)

Property and equipment

Property and equipment is stated at cost. Purchases of \$500 or more are capitalized. Depreciation is computed on a straight-line basis over the estimated useful lives of the assets.

Compensated Absences

Vacation benefits and sick leave are accrued as a liability as the benefits are earned if the employees' rights to receive compensation are attributable to services already rendered and it is probable that the Organization will compensate the employees for the benefits through paid time off or some other means.

All compensated absences liabilities include salary-related payments, where applicable.

Income taxes

The Organization is a not-for-profit welfare organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Therefore, there is no provision for income taxes in these financial statements. The Organization believes that it has appropriate support for all tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Organization's 2017 and earlier tax years are closed for examination by U.S. Federal, State, and local tax authorities.

Donated Materials and Services

Donated materials or equipment, when received, are reflected as contributions in the accompanying financial statements at their estimated fair market value at date of receipt. The contributions of services are recognized if the services received: (a) create or enhance non-financial assets; or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

Investment Income and Gains

Investments consist of certificates of deposit. Investment income is reported as an increase in net assets without donor restrictions in the reporting period in which the income is recognized.

NOTE 2. FISCAL AGENCY FUNDS

The Organization entered an agreement in 2015 with Excel by 5 Coalition (Coalition). Under this agreement, by the direction of the Coalition, the Organization manages the contributions given to support the actions of the Coalition. The Coalition chooses how the funds are spent. The Organization held \$62,717 in a separate cash bank account on behalf of the Coalition at December 31, 2021.

The loans and accrued interest are forgivable after eight weeks as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels.
